October 23–24, 2017

**The St. Andrew's Club and Conference Centre
150 King St. West, 16th Floor
Toronto, ON**

Accreditation

Law Society of Upper Canada: This program can be applied towards the 9 substantive hours of Continuing Professional Development (CPD) required by the LSUC. Roundtable 6 is accredited for 1.5 hours of Professionalism hours.

Barreau du Québec: The Barreau du Québec automatically recognizes the program for 16 hours of training as it has been recognized by another Law Society.

Law Society of British Columbia: Attendance at this conference can be listed as 16 hours of CLE in completing your Annual Report to the LSBC.

Law Society of New Brunswick: This program will be accredited for 16 hours of CLE by the Law Society of New Brunswick.

Law Society of Alberta: Alberta lawyers may consider including this course as a CPD learning activity in your mandatory Continuing Professional Development Plan as required by the Law Society of Alberta.

About the Conference

This conference will provide an opportunity to learn about the most recent and significant developments in Canadian and international technology law, to benefit from an analysis of such developments as provided by leading practitioners and government officials and to network with leading practitioners in the area.

The main object of this two-day conference will be to provide succinct and topical updates on developments in various areas of technology law as they relate to Canada.
